Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Monday 21 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain gradually easing overnight before a drier Tuesday.

This Evening and Tonight:
Rain will gradually ease tonight, eventually clearing for most, however some isolated patches still lingering for some. Remaining breezy, especially along coasts in the south. Minimum temperature 9 deg C (48 deg F).

Tuesday:
A bright start in the west with cloud and any lingering rain further east soon clearing for a largely fine and dry with sunny spells across the region. Winds easing. Maximum temperature 20 deg C (68 deg F).

Outlook for Wednesday to Friday:
Staying dry on Wednesday with sunny spells. Cloudier on Thursday with a chance of some light patchy rain. Rain becoming widespread and potentially heavy at times on Friday.
